

Measures

Measure = a unit of music containing a set number of beats, such as 4.

Bar Lines separate Measures.

We use the **measure numbers** as markers for referencing where we are in the music.

* Note that the terms used in this curriculum are the primary musical terms used in the United States. Other countries, such as the United Kingdom, may use other terminology for certain concepts. Talk to your harp instructor or use Google to find the local name equivalents in your country.
